

Aaroahi Gaikwad

Second-year Biotechnology student,
MES Abasaheb Garware College, Pune.

First Year CGPA: 8.69

Current CGPA(SEM3): 8.85

Current SGPA(SEM 3): 9.18

Contact: @aarohiy24@gmail.com, +91 8010241418

Research and Work Experience

- On-Job Training| Agharkar Research Institute, Pune | 1 Month
 - Hands-on experience with PCR, HPLC, GCMS, Sanger sequencing, and microscopy. The training greatly enhanced my passion for research.
- Internship | Snehal Laboratory, Pune | 1 Month
 - Performed water testing, improving skills in dilutions, moles, conversions, and pH analysis.
 - Developed precision and practical expertise in basic laboratory procedures.

Relevant Skills

- Molecular Techniques: PCR, HPLC, GCMS, Sanger sequencing.
- Laboratory Skills: Water testing, dilutions, pH analysis.
- Scientific Communication: Essay writing, Review writing, and research paper writing.
- Microbiological Skills: Plating Technique, Blue White Screening, Staining Technique (Fungal, Endospore and Gram Staining)

Workshops and Courses

- Catalase Breaking The Bad Workshop| IISER Pune (Jan 2024): Trained in: Plant genomic DNA extraction, Polymerase Chain Reaction, Agarose Gel Electrophoresis, Measurement of Enzyme Activity
- Molecular Biology Course | Biogrademy: Strengthened my basics of Molecular Biology and gained insights on molecular techniques.
- MES Abasaheb Garware College Scientific Writing Course: Improved academic and research communication skills. Learned to write research papers, review articles, scientific blogs, and research proposals.
- MACS- Agharkar Research Institute HPLC, LCMS, GCMS Analytical equipment workshop: Hands-on Training of High-end Analytical equipment
- IISER Pune Gene Editing Through CRISPR-Cas9 Workshop

Projects:

- Rhizobium Isolation from Biofertilizers: Conducted research and analysis at the KISAAN Agricultural Convention.
- Active Carbon Estimation in Soil: Developed and tested a protocol for soil analysis.
- I surveyed the “ Effect of Plants on our Mental State” and analyzed the data.

I am proud of:

Achievements

- All India Rank 1: Science-Based Essay Writing Competition | Khula Aasmaan, SPPU (2018).
- I was the only first-year bachelor's student from my college to be selected for the On Job Training Program at Agharkar Research Institute, Pune.

Leadership and Outreach

- Represented MES Abasaheb Garware College and SPPU at the KISAAN Agricultural Convention.(2024)
- Actively led a team in executing two research projects during the convention. (2024)
- Volunteered for the National Service Scheme(NSS) Campus Cleaning and Poster Making Drives to promote Environmental Awareness at Abasaheb Garware College. (2024)
- Participated in a Rally for River Conservation with Ecological Society, Pune. (2023)

Hobbies

- Sports: Mountaineering, Swimming, Badminton
- Creativity: Enjoy Classical Music, Theatre, Painting
- Personality Development: Journaling, Writing Articles, Reading
- Learning about ongoing research in Biology.
