

# AAROHI GAIKWAD

STUDENT

## CONTACT

+91 8010241418  
aaroHiy24@gmail.com  
Pune, Maharashtra, India

## EDUCATION

BSc Biotechnology  
MES Abasaheb Garware College,  
Pune

Current CGPA: 8.85 (Semester 3)  
Relevant Coursework: Molecular  
Biology, Genetics, Microbiology,  
Biochemistry

## LANGUAGES

- English (Fluent)
- Marathi (Mother tongue)
- Hindi (Fluent)
- German (Basics)
- Sanskrit (Basics)

## HOBBIES

- Mountaineering,  
Swimming, Badminton.
- Classical Music, Theatre,  
and Painting.
- Reading and Writing articles.
- Staying updated on  
biology research.

## LINKS

## PROFILE

I am a passionate Biotechnology student with hands-on experience in molecular biology, microbiology, and advanced techniques like PCR, HPLC, and CRISPR-Cas9. Strong foundation in research and scientific communication, I aim to contribute to impactful advancements in biotechnology and sustainable solutions in life sciences..

## WORK EXPERIENCE AND EDUCATION

### Agharkar Research Institute On Job Research Training

2024

- Hands-on experience in PCR, HPLC, GCMS, Sanger sequencing, and microscopy. Conducted DNA isolation and molecular biology experiments, enhancing technical proficiency.

### Sheetal laboratory

#### Intern

- Performed water testing, improving skills in dilutions, moles, conversions, and pH analysis. Gained hands-on experience in laboratory techniques, improving precision in sample preparation, analysis, and data interpretation

### Technical Skills

- Molecular Techniques:** PCR, HPLC, GCMS, Sanger sequencing, CRISPR-Cas9
- Microbiology Techniques:** Plating, Blue-White Screening, Gram/Fungal/Endospore Staining
- Analytical Techniques:** DNA Isolation, Plasmid Isolation, Competent Cell Preparation, Transformation
- Scientific Communication:** Research Writing, Scientific Blogging, Proposal Writing

## PROJECTS, WORKSHOPS AND COURSES

Conducted research projects on Rhizobium Isolation & Soil Health, helping farmers improve soil analysis.

Participated in multiple workshops on CRISPR-Cas9, Genomics, HPLC, and Scientific Writing.

For a complete list of my workshops, projects, and certifications, visit my [Portfolio](#).
