

# AAROHI GAIKWAD

STUDENT

## CONTACT

+91 8010241418

aaroHiyg24@gmail.com

Pune, Maharashtra, India

## SKILLS

- Molecular Techniques
- Basic Laboratory Skills
- Science Communication
- communication and team collaboration

## LANGUAGES

- English (Fluent)
- Marathi (Mother tongue)
- Hindi (Fluent)
- German (Basics)
- Sanskrit (Basics)

## HOBBIES

- Mountaineering, Swimming, Badminton.
- Classical Music, Theatre, and Painting.
- Reading and Writing articles.
- Staying updated on biology research.

## PROFILE

I am a passionate Biotechnology student with hands-on experience in molecular biology, microbiology, and advanced techniques like PCR, HPLC, and CRISPR-Cas9. With a strong foundation in research and scientific communication, I aim to contribute to impactful advancements in biotechnology and sustainable solutions in life sciences..

## WORK EXPERIENCE AND EDUCATION

### Agharkar Research Institute

2024

On Job Training

- Hands-on experience with PCR, HPLC, GCMS, Sanger sequencing, microscopy, and other basic molecular biology techniques such as DNA Isolation. The training greatly enhanced my passion for research.

### Sheetal laboratory

2024

Intern

- Performed water testing, improving skills in dilutions, moles, conversions, and pH analysis.- Developed precision and practical expertise in basic laboratory procedures.

### Education

Second-Year Bsc biotechnology

- MES Abasaheb Garware College, Pune
- Current CGPA (SEM3): 8.85
